QUOTES

“I love that Micah thinks outside the box. The end results are always fascinating. The music industry is very blessed to have him.” -WAYNE HAUN (Producer / Arranger, Celine Dion, Jessica Simpson)

“Micah is one of those chameleon drummers. He plays all styles and plays them well.” -LESTER ESTELLE (Drummer, Kelly Clarkson)

“He's not only a great drummer and musician, but he has a heart that beats for

something bigger than himself. It's hard to find someone with that much talent and humility." -JOSH LOVELACE (B3 & Keys, Needtobreathe)

"I've had the opportunity of working with him on several occasions. His talent as a musician is undeniable, but his work ethic and contagious charisma make him one of my favorite people to work with. He makes the people around him better on and off the stage." -WARREN BARFIELD (CCM Artist)

"He plays great, his attitude is great, his preparation is great! His heart is great!" -MICHAEL CLUTE (Producer / Engineer, Faith Hill, Diamond Rio, Restless Heart, Michael W. Smith)

"He is one of the most talented and engaging drummers I've ever seen on stage. The style of the music doesn't matter. He crushes it." -JASON ROY (Lead Vocalist, Building 429)

"His playing is so fresh and exciting. I always love hearing him!" -BRIAN SCOGGIN (Drummer, Casting Crowns)

"Micah has one of the most energetic grooves I've ever heard. I would have hired him yesterday." -DARRYL WORLEY (Country Artist)

"Micah is pushing the limits with his creative rhythmical technique and unmatched energy. His approach to the drums can be compared to some of today's great drummers such as Dave Grohl, Taylor Hawkins, Chad Smith, and many others alike. His experience and dedication make him a force to be reckoned with." -NOAH HENSON (Guitarist / Producer, Pillar, Brantley Gilbert)

"Since 17 years old, I've been playing on records in Nashville. In that time, I've been blessed to play with drummers I consider to be the greatest in every genre and style of music. More recently, I have been blessed to not only get to know Micah as a Christian gentleman, but he's quickly become one of my favorite drummers and is always a joy to sit in and track with. Most guys have a particular genre that they excel in more so than others. If that is true of Micah, I have not found it to be. I have thoroughly enjoyed hearing him play any feel and do it with the grace God intended music to be played with." -DIRK

JOHNSON (Piano, B3, Keys, Nashville Session Musician)
